- Set the brake before leaving the Golf Buggy

Know your driving conditions

- The buggy can only be used for number of occupants it was designed to carry
- Buggies must not be used excessively rough ground.
- Always consider the terrain, existing vehicular and pedestrian traffic conditions, as well as environmental factors that may affect your ability to operate the vehicle safely
- Drive the vehicle only as fast as terrain and safety considerations allow
- To avoid tipping over, drive buggies straight up and straight down slopes
- Slow down before corners. All turns must be executed at reduced speeds
- Avoid sudden stops or change of direction that may result in a loss of control
