TERMS AND CONDITIONS FOR ORSTON MASTERS

Classification

1 A. Competitors will shoot in their CPSA/NSCA Class given as of the latest CPSA classifications for ESP. Any competitor that has two classifications (e.g., Welsh, Scottish etc. and CPSA) will be classified based on their highest classification. Unclassified competitors will be classified on the day over selected targets according to CPSA classes individually for both disciplines. If non-CPSA members are entering, they must be a valid shotgun certificate holder.

1 B. Our best endeavours have been taken to ensure you are correctly classified as per the current CPSA Averages book. If you have been wrongly classified, it is your responsibility to ensure this is corrected before you shoot. Any discrepancy discovered after shooting will invalidate your score in the specified class and could result in re-classification.
